ABOUT ME

After 10+ years working in metallurgical plants and various automotive factories around Portugal, I've decided to drastically change my career path. I went to study at FLAG school in Lisbon to become a "Full Stack Web Developer" and right now I'm looking for my first job as a Junior developer.

EDUCATION

● FRONT END web development

- HTML, CSS, BOOTSTRAP, JAVASCRIPT, JQUERY, REACT, ANGULAR, GIT

● BACK END

- PHP/LARAVEL, MYSQL, NODEJS/EXPRESS, MONGODB, REST API
